ModulTrade
The Freedom To Trade

HOW TO
?

Option I

Open your own Global WebStore

Register on MT Market within 2 minutes

YOUR Global WebStore is open!

Choose products for Sale

Find products which you can buy in your region at a good price

From:

- Merchants
- Producers
- Local internet shops

Get advice from **MT Academy to choose products**

Place products for Sale

- Add your margin and delivery costs to the price of the product
- and place offers on MT Market

Promote your Sales

1. Join ModulTrade community at:

- [Telegram](#)
- MT Connect: Trade Network Group (soon)

2. Share the info about your unique offers and the links to them on MT Market

You can **make an Auction** on the products you sell or make a discount

Get a purchase confirmation with a money reserved on a Smart-contract by the Buyer

You will receive a notice once the Buyer chooses your offer, creates a smart-contract and reserves money on it

Arrange product delivery to the Buyer

- a) Buy the product you want to resell and send it via available logistic company
- b) Pay the Merchant and ask to send the goods directly to the Buyer

To confirm the shipment, enter delivery tracking number in MT Market

Do you need money to pay for a product? Get it from ModulTrade in BTC/ETH/MTRc

- send to Admin a request with trade details
- get funds* within 6 hours

Get money from the Smart-contract once the product is delivered to the Buyer

Do you need to exchange BTC/ETH/MTRc in fiat currencies?

- a) Use exchange services here [link to 3rd party service]
- b) Exchange at [CryptoExchanges](#)

* funds will be transferred in crypto to your MT Wallet

Option II

Open a WebStore together with the Merchant

Register on MT Market on behalf of the Merchant and share access to the account

Global WebStore is open!

Promote your Sales

1. Join ModulTrade community at :
 - MT [Telegram](#) channel
 - MT Connect: Trade Network Group (soon)
2. Share the info about your unique offers on MT Market

Place products for Sale

- Choose best products and place offers for sale on MT Market

You can **make an Auction** on the products you sell or make a discount

Get a purchase confirmation with a money reserved on a Smart-contract by the Buyer

You will receive a notice once the Buyer chooses your offer, creates a smart-contract and reserves money on it

Arrange product delivery to the Buyer

Pay the Merchant and ask to send the goods directly to the Buyer

To confirm the shipment enter delivery tracking number in MT Market

**Do you need money to pay for a product?
Get it from ModulTrade in BTC/ETH/MTRc**

- send to Admin a request with trade details
- get funds* within 6 hours

Get money from the Smart-contract once the product is delivered to the Buyer

Money will be paid automatically to your account in MT Wallet

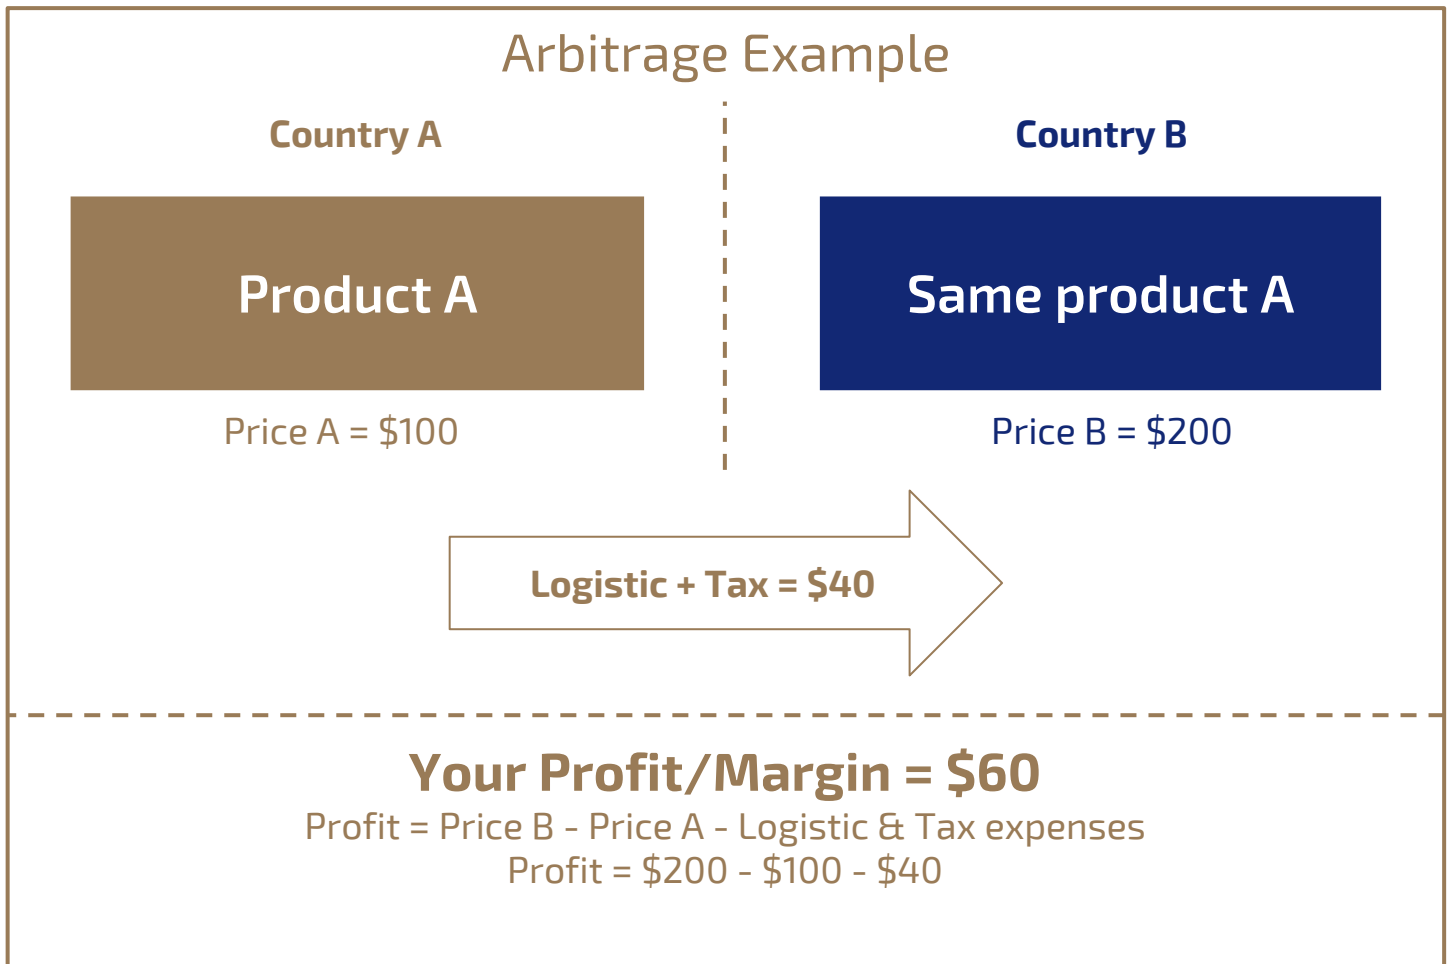

Do you need to exchange BTC/ETH/MTRc in fiat currencies?

- a) Use exchange services here [link to 3rd party service]
- b) Exchange at [CryptoExchanges](#)

* funds will be transferred in crypto to your MT Wallet

Make money on the Arbitrage

1. **Find a product** with an arbitrage opportunity: **Products** which are cheaper in one country and can be sold in another country at a higher price, which exceeds logistic & tax costs. You can find some examples on [MT Academy](#).
2. **Add your Margin to the product price and place a sale offer** for this product **on MT Market**
3. **Help to find a buyer** through MT Trade Network
4. **Get a trade confirmation** from the buyer and create a smart contract
5. Once confirmed, **buy the goods** from the source with your funds, or with a credit from ModulTrade
6. **Send the goods to the buyer** with one of the express logistic companies or a reputable logistic 3rd party
7. **Receive your payment** automatically from the smart contract once the goods are delivered to the Buyer (and repay the credit if you used it)

**Be rewarded \$300
for a new example of cross-border price Arbitrage for goods!**
